FISM Qualified Contest System 2.0

FQC AIM to...

- **Provide the magic community with a tool to organize Qualified Competitions in alignment with the FISM World and Continental Championships.**
- **Raise the level of Magic with Qualified Judges and increase the opportunities for Magicians to test their level according to the FISM rules (International Standard)**
- **Create a platform to allow competitors to be judged in a standard way around the world**

Rules for a competition to be recognized as an FQC

- The Contest Organizer doesn't necessarily has to be, a member of FISM.
- The Jury Panel must be composed of at least 50% of FISM Qualified Judges.
- The Organizer must send the names of the judges and the competitors before the competition is held.
- The Organizer must send the final scores signed by the judges to the FISM Board.*
- Any change in the Jury panel must be done before the start of competition and communicated to FISM Board to keep the status of FQC.
- The President of the Jury Panel must be a FISM Qualified Judge and approved by the FISM board.
- The contest must follow the FISM Contest Rules and use the FISM Grading Scale (see slide 7).

* Not later than 30 days after final day of the competition

FISM services to FQC

- FISM allows the use of the “FISM Qualified Contest” logo.
- Information regarding the event and reports will be posted on the FISM website and socials.
- A certificate of “FISM Qualified Contest” will be provided to the organization with the name of the contest and the year.
- OSS (Online Scoring System) is available for use by the Jury Panel

A large, faint background graphic in the center of the slide. It depicts a globe with a hand reaching up to support it, set against a light blue circular backdrop with radiating lines and small white dots.
